

## **Destination Imagination (Work of March 18)**

**Team: History Kids**

### **ASSIGNMENT FOR 3/25:**

- 1) Everyone: Next week (3/25) we will meet from 4PM - 5:15PM to give us a little extra time.
- 2) Everyone – Costumes: All kids have to be able to put on their costumes by themselves at the performance. Anything that's made for the costume has to be made by the kids (with as little parent help as possible). Delaney: velvet dress (DONE). Caleb: fancy suit and top hat (DONE). Vincent: mask (DONE) and needs a gun (DONE); Douglas has a pig's nose and other things (DONE). Molly has a pig nose (DONE) and also has a horse costume (DONE) and mud. Nate: Paul Revere (DONE). Please, everyone bring your costumes next week. This week we didn't have time to do anything with costumes, but next week we will.
- 3) Caleb – Prop: Caleb was chosen to paint the prop black for next week.
- 4) Everyone – Song: Please memorize song. Great job coming up with it today!!!!
- 5) Everyone – Play: Please memorize your lines. You all did great today!!!
- 6) Everyone – If anyone has access to a big box, it will be used as the "box" that the Lincoln's will sit in.
- 7) Molly – Find two folding chairs for the Lincoln's to sit in.

**It's important all kids do their assignments for next week, since next week is the last before the performance.**

**Also remember, on 3/28 we are going to have a pizza party (this will be 10:30-12) and the kids will run through their performance for everyone and practice an Instant Challenge.**

**I am trying to see if we can get Center or Hale for next week. I will contact you by phone and email if I succeed. The idea is to have a larger space (like at the competition) to work with.**

**I will be handing out the schedule for the 3/29 tournament by next week (and send by email). You already have the full schedule of the day, but we're trying to coordinate which performances we will see as a group. The idea is that we will try and stay together as much as possible.**

## **PLAY**

### **The Night At the Theatre**

Douglas: Actor on stage (Announcer and Pig)

Molly: Actress on stage (Pig and Horse)

Vincent: Actor on stage (Wolf and John Wilkes Booth)

Caleb: Abraham Lincoln

Delaney: Mary Todd Lincoln

Nate: Paul Revere

Douglas: Attention Ladies and Gentleman. We are honored and inspired to have our President Abraham Lincoln and his wife Mary Todd Lincoln here tonight at our play.

Abraham Lincoln: We are very honored to be here tonight. (and Mrs. Lincoln smiles and waves)

Douglas: (acts with Vincent and Molly) the Two Little Pigs.

Vincent will be wolf. Molly and Douglas will be the "Two Little Pigs". Live in pigpens. Molly made mud out of paper. Play around.

Delaney will narrate: "Once upon a time, there were two little pigs who loved to roll around in the mud as they pleased. One day as they were rolling in the mud, a big bad wolf came and he attacks the pigs, and he said:"

Vincent: "I'm the big bad wolf. I'm very hungry and a little full of energy. And I'm going to get you."

Vincent: Chases pigs. Catch one of them. Says "I'm not going to eat you because you're too plump to eat and I don't want to blow blood all over my sharp teeth."

Vincent breaks out of his wolf costume and runs over to Abraham Lincoln and say "I'm John Wilkes Booth."

Vincent: (about to shoot Abraham Lincoln) "This is your last hour"

Douglas: (run around stage with the PROP, the rest of you are going make a sound as if things are changing)

Nate: "The Redcoats are coming" 3X

Mrs. Lincoln: "My My I wonder what that was all about."

Abraham Lincoln goes to Paul Revere: "Thank you Mr. Revere you saved my life."

Paul Revere: "Please just call me Paul."

At the end, all line up on stage, hold hands, and take a bow.

Each will say your first names and your parts in the play.

At the very end, you are going to say: "Now we are going to sing a song".

Sing song. End.

### **PROP ("remote control")**

Shape of Prop is RECTANGLE. 1st shape. Prop will be painted black. Caleb was chosen to paint the prop black.

The rest of the shapes (we need 3 more of them) will be cut out of construction paper and glued to the prop. The top will have a triangle. There will be circles for buttons for how many years back or forward (minus or plus). Octagon for GO button.

### **SONG (sung to "Old MacDonald")**

Mr. Lincoln was about to get shot,  
Oh Oh Oh  
Paul Revere came riding in  
Clippity Clippity Clop  
With the Redcoats here and the Redcoats there  
Red Coats, Red Coats everywhere.  
Lincoln was safe at last  
Wa Wa Hoo
